

WPS TRAIN-THE-TRAINER WORKSHOP

Dear Potential WPS Worker or Handler Trainer:

The Arizona Department of Agriculture announces the upcoming Worker Protection Standard (WPS) Train the Trainer courses scheduled for November 14, 2007 (Spanish), and November 15, 2007 (English) in Somerton, Arizona. This workshop qualifies individuals to be trainers of workers or handlers on the Worker Protection Standard.

Workshop Location:
ARIZONA DEPARTMENT OF AGRICULTURE
SOMERTON OFFICE
2186 West County 15th Street
Somerton, AZ 85350
Tel. 928-341-1775

Course Length:

Check in time for the workshop begins at 7:30 A.M. with the workshop beginning promptly at 8 A.M. The workshop ends at 4:30 P.M. with the administration of the exam.

Returning Trainers—New Renewal Option:

During the afternoon of these courses we offer a refresher course for the returnees (who have received trainer certification within the past three years). This refresher course begins at 1 P.M.

Who must be in Compliance?

Anyone who uses pesticides and has employees is potentially subject to the requirements of the WPS. If using pesticides on a **farm, forest, nursery, or greenhouse** you need to understand and follow the requirements of the WPS. The WPS is a federal law; however, most states, as is the case in Arizona, have adopted the federal standard along with some additional specific state requirements. (The additional requirements will vary from state to state).
